

*Seminar lecture in the framework of  
International doctoral school in Science*

Federica COSTANTINO *will deliver a lecture entitled:*

**Ultraviolet assisted photocatalytic  
degradation of Methyl Orange azo  
dye over porous Cellulose  
Acetate/SnO<sub>2</sub> nanostructures**

*Chairperson:* Ph.D student Andrea RONCHI

## Seminario

Martedì 5 giugno 2018

Sala Riunioni, ore 14.00

Via dei Musei 41 - Brescia
