*Tools for the Regulation and Promotion
of Foundations*

Prof. ANDREA PERRONE
Università Cattolica del Sacro Cuore, Piacenza

17.30 *Debate*

18.00 *Conclusions*

The meeting aims at promoting the comparison of thoughts, research and national as well as international experiences, in order to evaluate the most recent social, cultural and institutional developments of the third sector in Europe and the US. Particularly, the focus will be on the role of agents, relationships and social policies in shaping the society. The high inner differentiation of the third sector will be carefully considered.
